#### New Work

**Artist:** Nathan Margalit

**Start Date:** November 2, 2019

**End Date:** December 3, 2019

**Location Name:** PULP

**Address:** 80 Race Street

**City/Town:** Holyoke

**Website:** [pulpholyoke.com](http://pulpholyoke.com)

With his recent work, Margalit extends his understanding of what is possible in the realm of painted encaustic collage, a medium and process in which he is considered a leading practitioner. The work is based on observation and imagination and explores the nature of the painting process with references to moments in art history including, ancient Egypt and 20th century innovative art movements.
